

# Village of Perry

## Downtown Revitalization Initiative

The Village of Perry was selected as a \$10 million winner of New York State's sixth round of the Downtown Revitalization Initiative (DRI) program to support transformative projects in the downtown.

The Local Planning Committee (LPC), which is made up of key stakeholders, will act as the steering body for the DRI process, meeting regularly to brainstorm ideas, provide direction to the project team, review program materials, and evaluate projects to potentially receive funding.

### Local Planning Committee Meeting #1

The LPC will be meeting on Thursday, May 25th at 6:00PM in the Masonic Temple to kick-off the Perry Downtown Revitalization Initiative planning process. This meeting is open to the public with time reserved following the LPC's working session for public comment.
